Town Supervisor Michael Specht,
Town Of Ramapo
237 Route 59,
Suffern NY 10901.

Re: The Gates of Praise Cemetery

Dear Mr. Specht:

I am the Pastor of the Gates of Praise Church, located (based on the tax map) at #2 Old Route 17 North, Hillburn, NY 10931. The Church and its attached cemetery is a historical landmark in this County. Consequently its influence and importance affect many in Rockland, and by extension their relatives/friends who no longer reside in the area.

The reason for my letter to you sir, is concerning the Gates of Praise Cemetery also known as Ramapo Presbyterian Cemetery, and Iron Works Cemetery. My organization acquired the property (Church and Cemetery) in 2004. As owner the Church is responsible for the reasonable maintenance of the cemetery. To this end we have tried our uttermost best to maintain the sacredness of this burial place. However due to circumstances beyond our control, we are now unable to financially do so.

It must be pointed out that more than 75% of our membership are now senior citizens on fixed income. Additionally, some though still members, have moved out of the county. We have also had to say good bye to a few who have passed away. About 25% of our membership comprised of young people and mostly children. It is upon this smaller group that the financial burden of the congregation rest.

As maintenance goes:

- (1) The Gates of Praise maintains the private road which used to be part of the Old Route 17 North. By that I mean every year we spend Thousands of dollars to plow it without any outside assistance. During the rest of the year, cutting the grass and removing

garbage left on that road by truckers and others. Note we do not own the road and cannot stop none Church members from dumping there. Thank God for the regular police presence, this has been a help.

- (2) During the winter season the cost of heating a solid stone building that has no insulation, you can imagine is astronomical. Electricity during the summer to cool the building puts quite a dent to our budget.
- (3) Besides the annual cost of repairs. The Gates of Praise pay for one of the public street lightings that is located on the piece of road that leads from the current Old Route 17 to the Church.

In summary: (a) the above financial obligations; (b) the aging population of our congregation; (c) migration of members; (d) and some death have put us in a situation where it is no longer possible to take care of cemetery as we used to. It must be noted that the Gates of Praise does not receive any grants from anyone, but is solely supported by free will offerings and Tithes from its current active membership.

The ministry of the Gates of Praise is not limited to its membership, but we are very involved in the community despite our limited resources:

- (1) We offer a Pantry ministry that offer groceries to those who are in need
- (2) We have a back to school program that offer some limited school supplies to those in need.
- (3) We offer Thanksgiving baskets to the neediest so that their families are feed
- (4) We perform weddings, baby dedications and officiate at funerals.

We are truly a community Church, and do not charge the community for the services offered. In short the Church is not just a part of the historical landscape, but an important part of our community and beyond. Besides Rockland County, The Gates of Praise has members coming from Orange County, the Ramapo Brae and Stag Hill, Mahwah.

Coming back to the Cemetery, its historical importance is worth noting. Attached to this letter are print outs taken from the internet concerning some of the Rockland residents buried there. Just to mention one of them: Jeremiah Halsey Pierson, US Congressman.

In closing sir, we (the leadership and members of the Gates of Praise Church) are asking the Town of Ramapo to take on the responsibility of maintaining the Cemetery. Our congregation will also accept any other help with respect to the road and street light.

Respectfully

A handwritten signature in black ink, appearing to be 'Rev. Phillip Richards', with a long horizontal flourish extending to the right.
